

THE ANDERSONIAN

1950

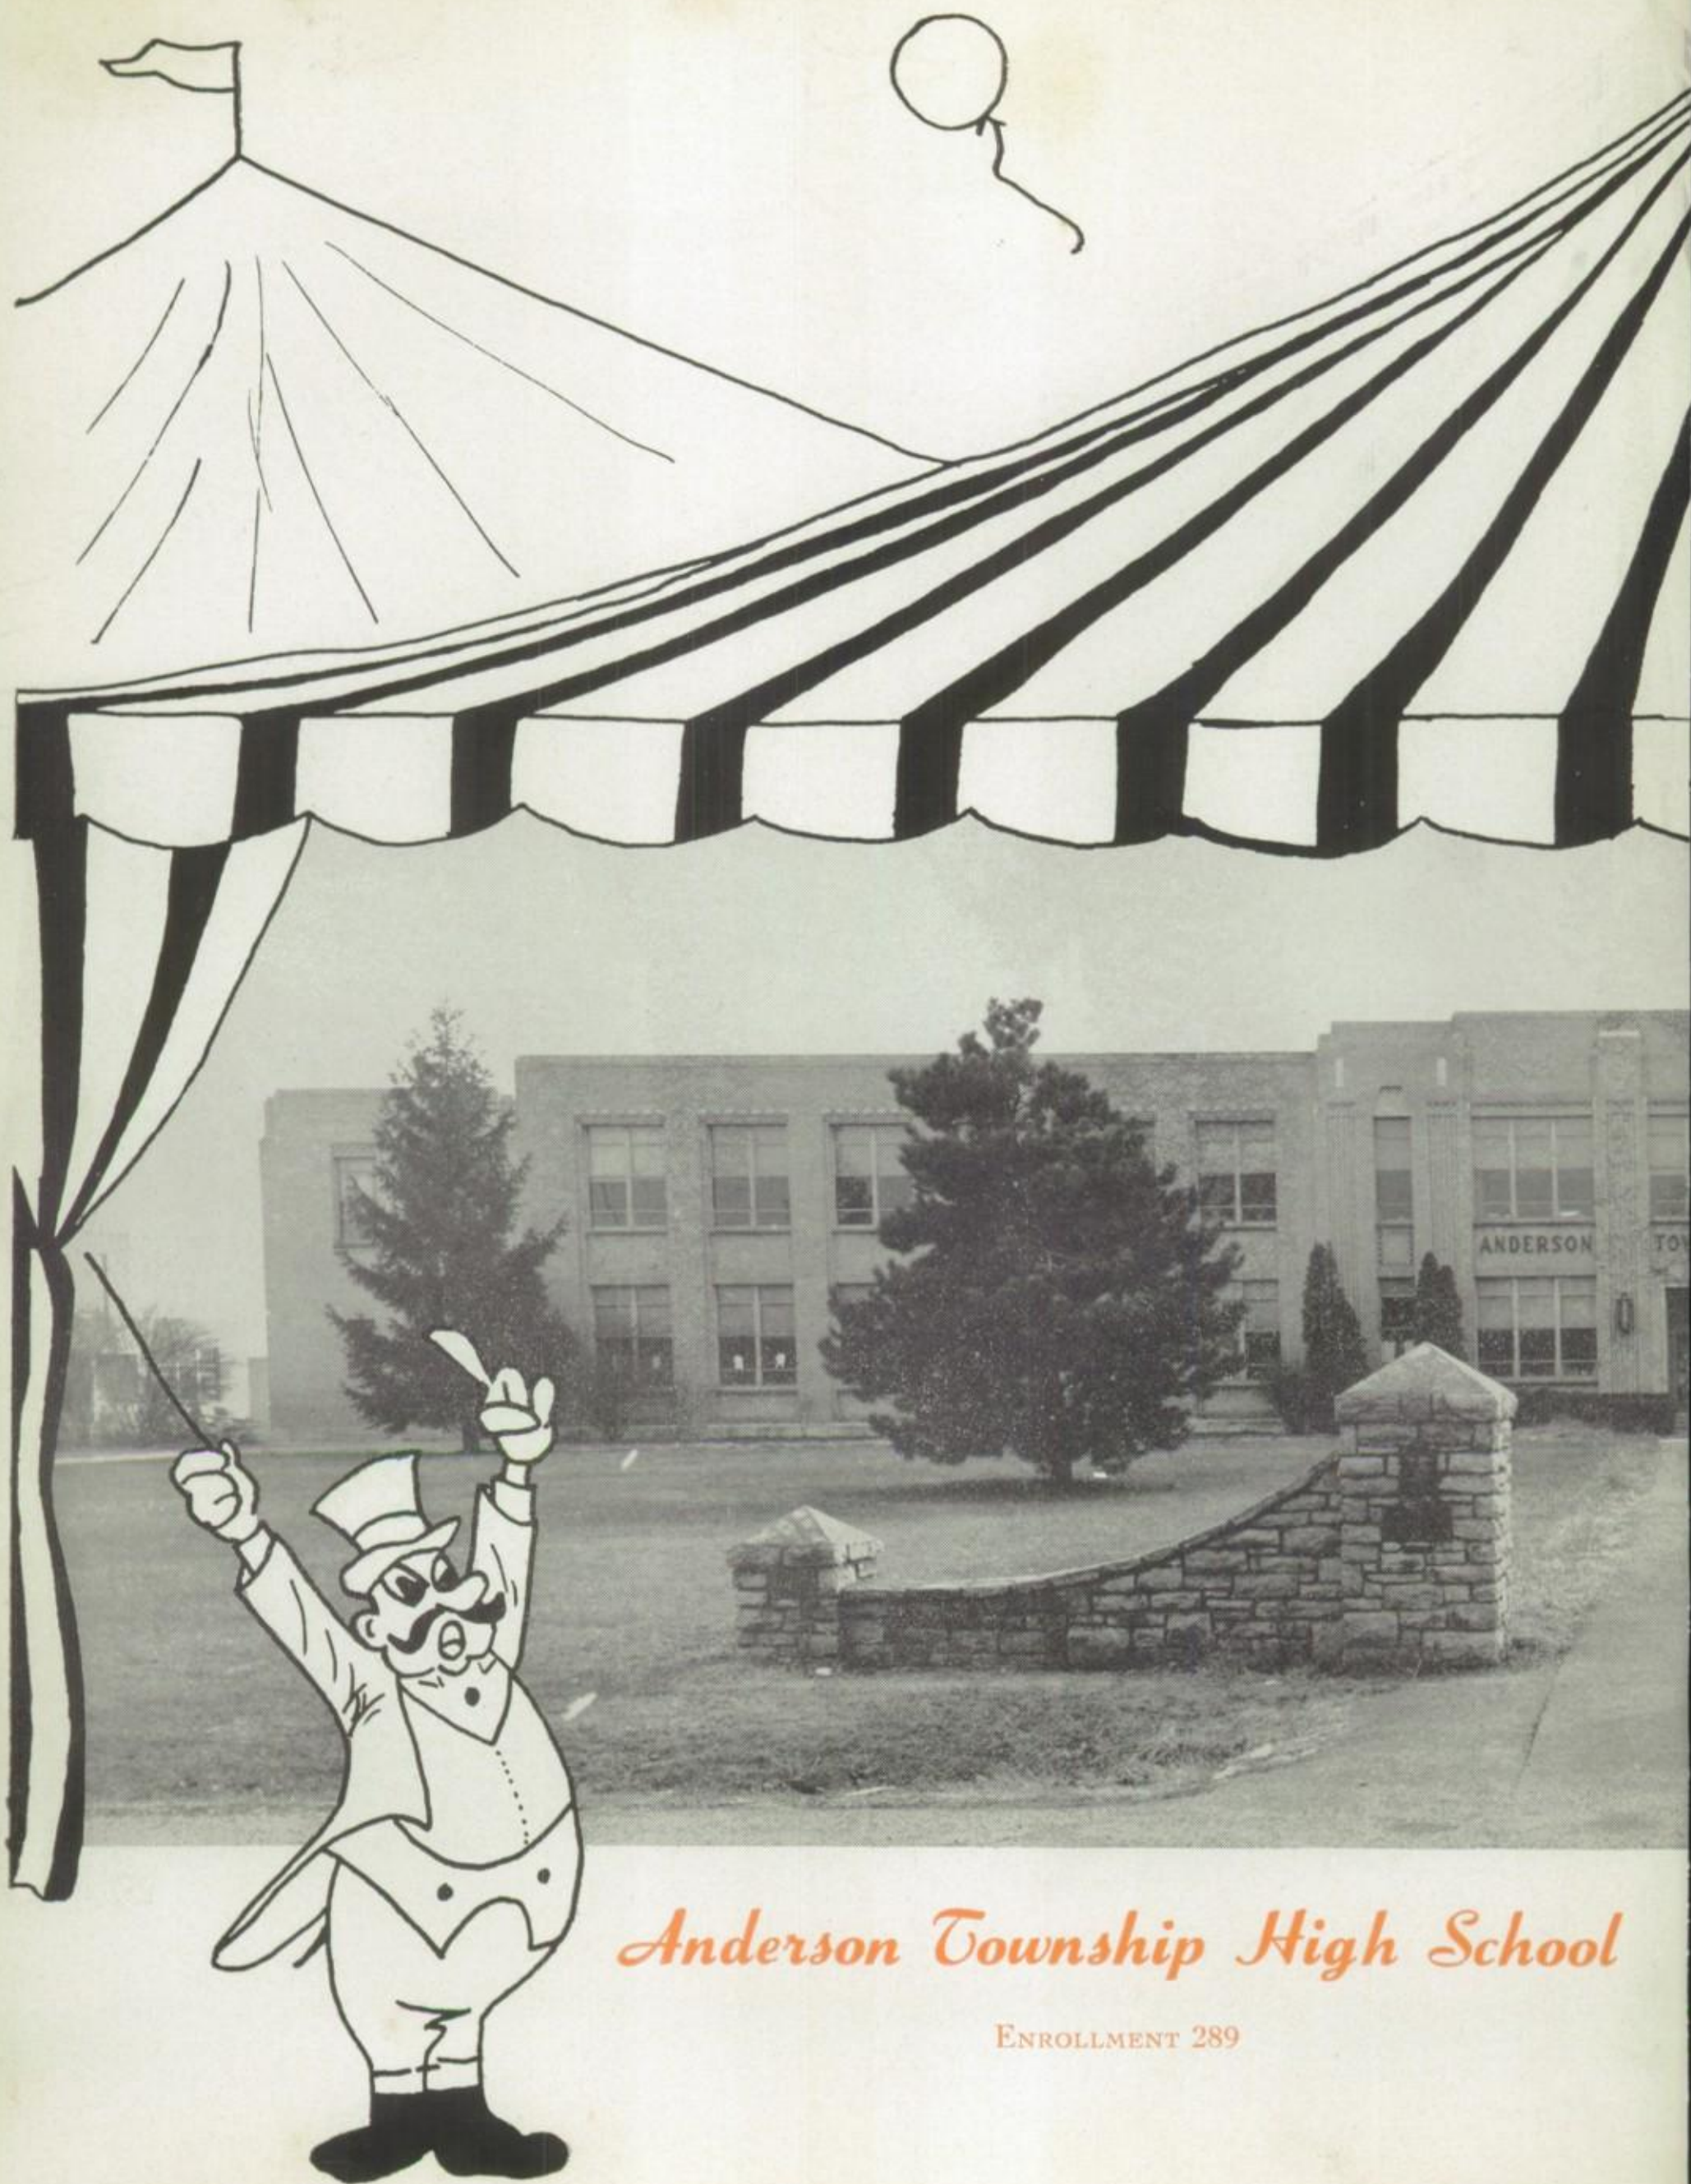

"By special permission the theme of this yearbook has been based upon, and several illustrations herein have been adapted from WALT DISNEY'S CIRCUS, copyright, 1944, by Walt Disney Productions."

Foreword

A circus is much like a school. Just as there is a variety of people in a circus, so there is a variety of pupils in a school. There are practice, work, study, and thrills, excitement, and performances in the school and circus. They are miniature worlds in themselves. The performers enter as novices with no extensive knowledge of the show in which they are taking part, but through years of work, study, and practice, they succeed in reaching the top of the circus program.

As the performers of these two shows are observed, one can detect the similarity between them. A glimpse of the performers going from class to class reveals clowns who enjoy making others laugh, the trainers who exhibit their skill in education, the talented who are thrilled by the opportunity to entertain, and many side show performers who find that a defect can be used as a talent. Just as the people of this world choose an occupation to fit their desires and talents, the people of the circus have their particular places in the circus life. In both we find the joys and disappointments, the successes and failures and the final satisfaction of a finished performance. Just as the Performer reaches the pinnacle of success, so the Senior realizes the successful completion of preparation for the many other shows along his road of life.

Circus Favorite

To Mrs. Mary Struke, we, the Class of 1950, dedicate our yearbook in the hope that we can express to her our appreciation for all the help she has given us.

It is a steep, steep climb up the narrow ladder that goes to the very highest pinnacle of the "Big Top" of life, but she was always there showing us the way.

Across the straight and narrow tightrope to our goal she was the balancing stick that kept us always straight and on the right way. Through her superior knowledge, experience, and understanding, we glimpsed a new world. She gave us the greatest gifts of all—the desire for knowledge and the ability to appreciate the fine things of the world. She taught us the meaning of, and helped us to live by our motto—"Non vivere sed valere in vita"—"Not merely to exist, but to amount to something in life."

Circus Ringmaster

This senior yearbook marks the twenty-first year of Anderson Township School. Anderson becomes of age this year.

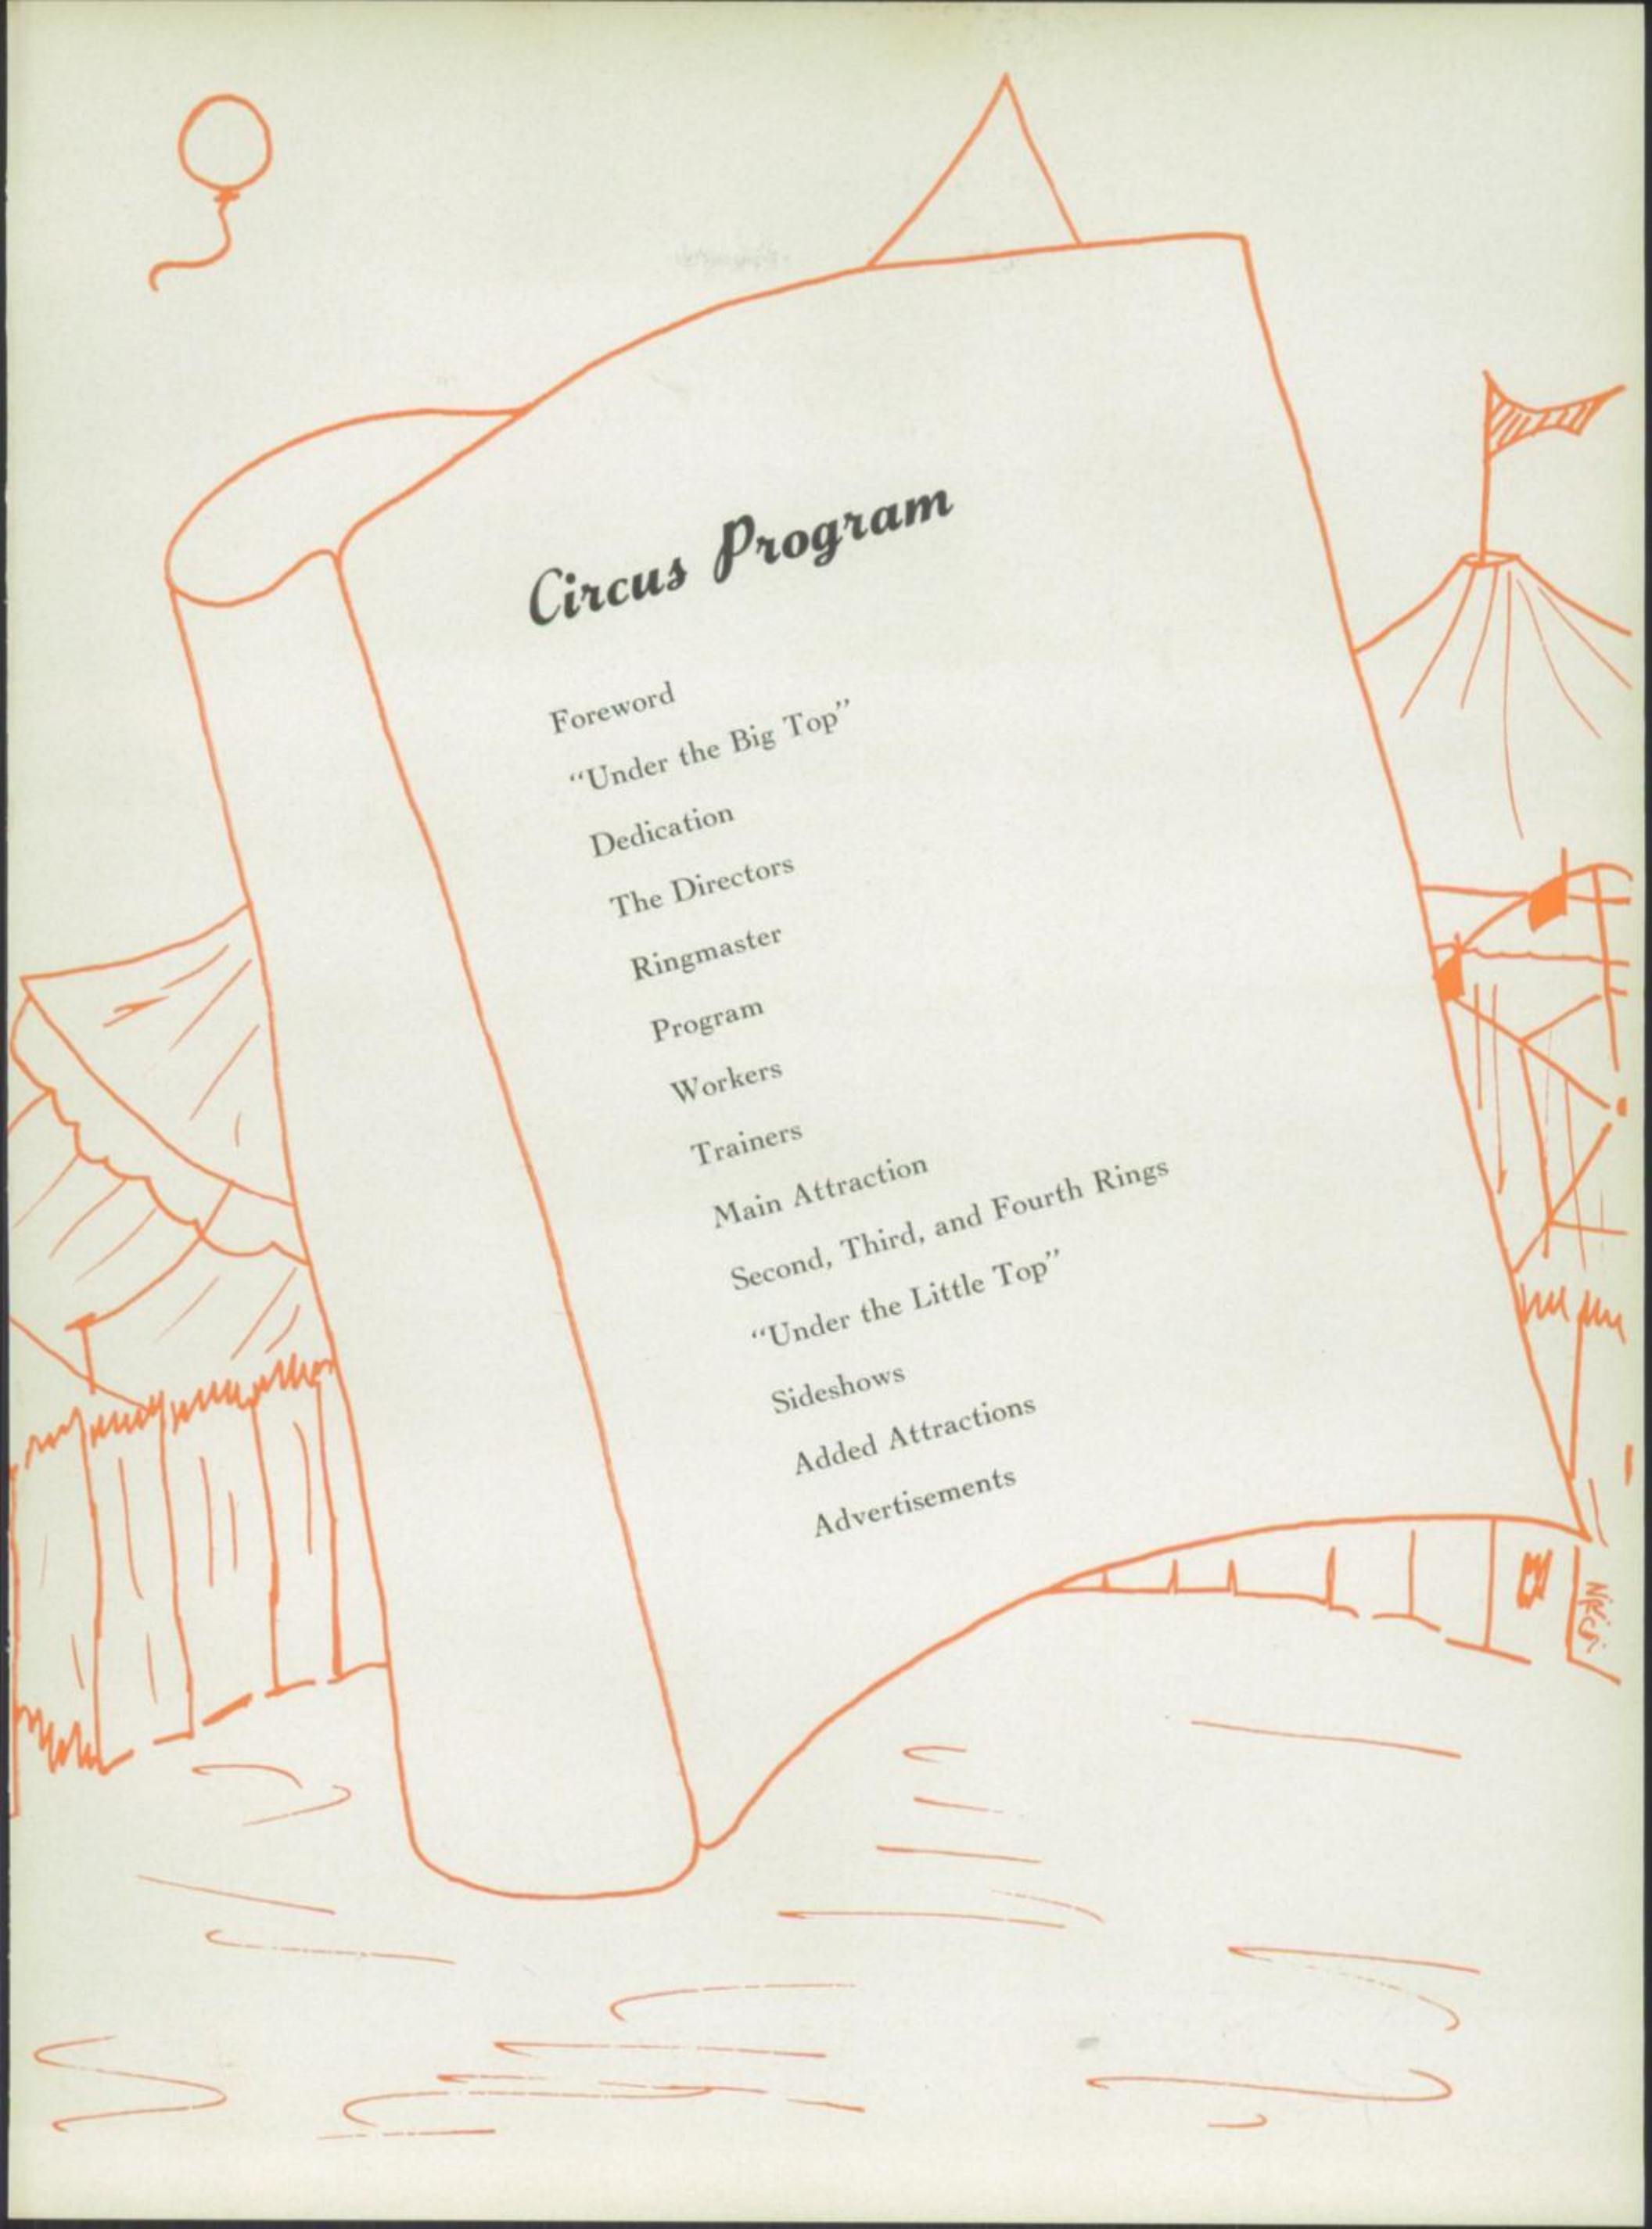

For the first time since 1932 the school plant will be adequate to house the rapidly growing school population. One emergency in housing has followed another until we have all felt we were in a three ring circus. Since the school population has grown from 562 in September, 1929, to 1104 in January, 1950, Anderson has experienced the same "growing pains" that the Nation has known in its rapid growth. Much like the circus, each performance has been fraught with pageantry, rapid movements, shift of scenery, and endless change. The only thing that has remained unchanged is the spirit of the troupers, which is expressed by "the show must go on."

The thought that we build today for the future is our recompense as the approval of the crowd is a reward for the performer.

The spirit of Anderson is like the spirit of the showman; the character of the performance must not vary in quality regardless of the size of the audience.

Story of the Circus

On a bright day in the year 1946, eager boys and girls entered the "Big Top" of the Anderson Four Ring Circus, not as spectators, but as a part of the act.

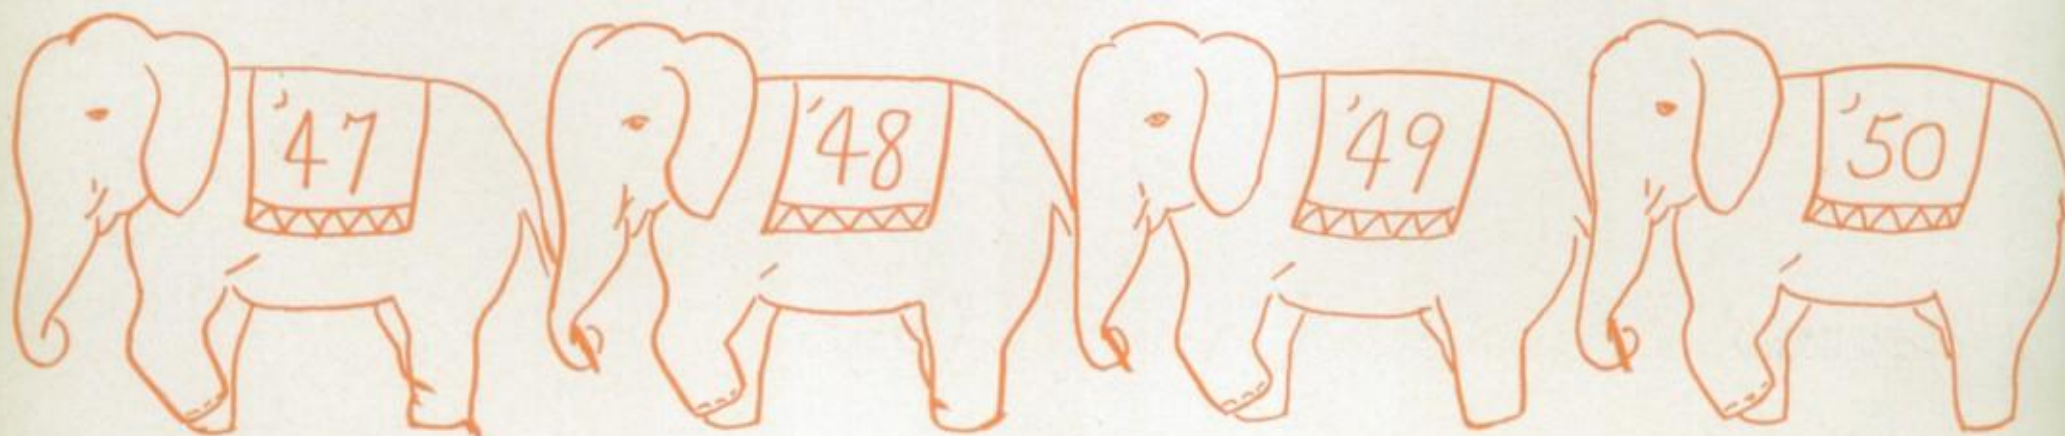

We were initiated into the Redskin ranks by the group who had joined the circus a year before us. A whole day was spent in clowning, but then the real work began. Before the glitter and fun and excitement of a circus can be enjoyed, a novice must work hard to become a top notch performer. Our trainers showed us what we must do as a part of the circus, and we did so well that one year later we moved on to new trainers and the study of new acts.

The second year in the circus was a bit harder, but our trainers and the Ringmaster had taught us that the show must go on, and we did our best.

In our third year as a part of the circus, we gave our first performance before an audience. It was entitled "A Credit to the Family". The troupe, under the guidance of Trainer Struke, worked hard on our first production. All helped with the show; some of us were stars; others, ushers; and some of us took over the prop and make-up departments. The spectators applauded loudly and seemed to enjoy our show immensely.

The next year we became star performers in the circus. We worked harder than ever, for we were soon to leave the "Big Top" for an even bigger show. For four years we had prepared for that day when the grand parade of 1950 would march to the stage to the strains of *Pomp and Circumstance* and we would all make our exit as performers in one of the greatest shows on earth, the Anderson "Big Top".

The time has passed quickly, and though we dislike saying goodbye to our trainers, our Ringmaster, and our other friends, we are eagerly looking forward to showing the world what we can do. Our show must go on.

Class of '54

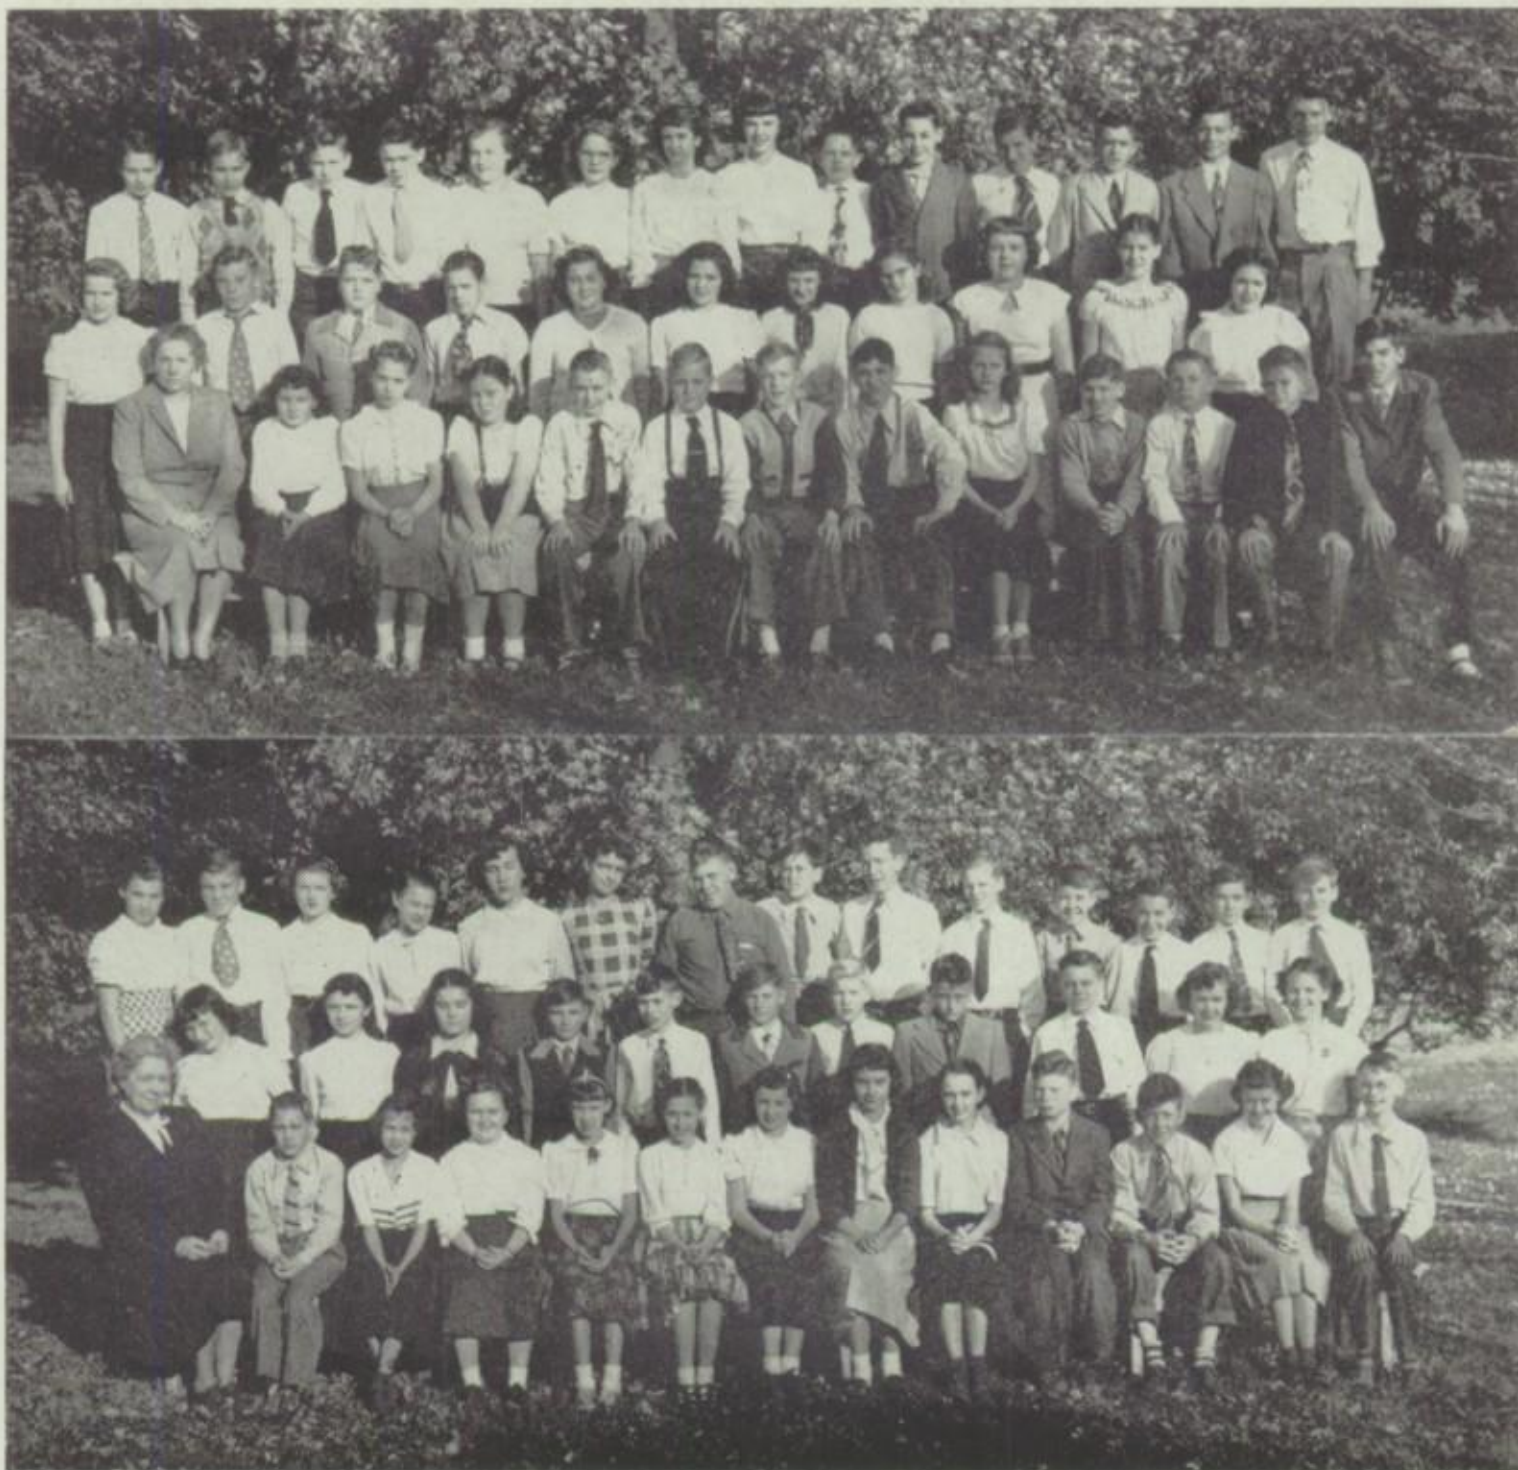

The performers of this troupe have spent two years under the "Little Top" and are ready to join the "Big Top". During the past two years they have had various activities, studies, and recreations that will help them in their future years; and they have been instructed and trained by their very capable trainers and class leaders.

Class of '55

This troupe has spent one year under the "Little Top" and has decided to continue for another year. Many of the various activities common to the "Little Top" were quiet new and interesting to this young group. In their new excitement they were greatly assisted by their trainers and leaders. Their trainers were Mrs. Electa Adams and Mrs. Edna Simcox.

Track

Anderson's track warriors of 1949 enjoyed a highly successful season. Although blasted by injury and ineligibility the inexperienced Redskins improved steadily throughout the season and surprised everyone by winning the County Championship. Trips were made to the Ohio Wesleyan Relays at Delaware, to the Miami meet at Oxford and to the Ohio State meet at Columbus. In local circles, the Orange and Black was among the leaders as Anderson came within two points of the Southwestern District Championship.

Outstanding individual performances were turned in by Vernon Hawkins, who placed second in the state in the mile; Art White, who won district championships in the half mile and high jump; and Johnny Burns and Irv Leonard, who scored consistently in every meet. Others, whose steady improvement made the season a winning one, were Dan Taylor and Larry Merten in the hurdles; Bob Wilson, Wendell Jackson, and Dick De Long in the sprints; and Ron Parian in the pole-vault. Future ability was clearly shown by Jay Hornsby, Cliff Auxier, and Bob Greer, who contributed to the county championship in the Junior Division. As a result of the team's great showing Coach Dick Herron was honored by being selected one of the "Top Ten Ohio Track Coaches."

Girls' Sideshows

Girls' hockey and basketball are side shows of the circus. Miss Marian Langhout coached the teams to many victories.

The Varsity Barkers gave out with plenty of pep and enthusiasm this year. Members of the squad were Bonnie Fithen, Patty Gehl, Beverly Kline, and Marion Wilson. Under their guidance, the cheering section under "The Big Top" "raised the roof."

Varsity Barkers

Reserve Barkers

Anderson also had a very active group of Reserve Barkers this year. These Barkers were Elaine Carr, Sue Hawkins, and Connie Luersen. Their spirit in cheering their team on to many victories was outstanding.

Added Attractions

Student Council

First Row (seated left to right): Kenneth Shaw (Vice-President), Donald Brown (President), Elaine Witschger (Secretary-Treasurer). *Second Row:* Jo Ann Gallagher, Joyce Gibson, Patti Martin, John Roos, Janet Slay, Jeanette Dunn, William Mast, Richard Boettger, Ted Harris, Robert Mitchell. *Third Row:* Charles Taylor, Elaine Carr, Robert Carr, Donald Schneider, Vivian Merten, David Riddle, Nita Kay Christy, Gerald Hornsby, Beverly Kline, Dean Ivers. *Fourth Row:* Mr. Jack Wellbaum (Adviser), Robert Miller, Patricia Ney, Marilyn Rick, Dick Willis, Miss Vera M. Nash (Adviser).

One of the "main attractions" of the '50 Circus was the Student Council. With high ideas of promoting school citizenship and student cooperation in school functions, the council fostered such projects as the Freshman Hop, the Homecoming Football Game, the Thanksgiving program, the selection of cheerleaders, the March of Dimes Assembly, the Talent Show, and the dedication of the new high school building. By developing such a program, the council hopes to create a stronger student body organization and to encourage a better school spirit and morale, a necessity for our expanding school system.

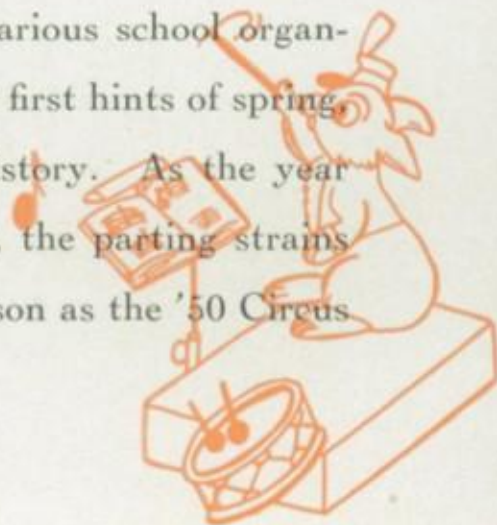

Band

One of the finest "Added Attractions" of the '50 Circus was the great Anderson Band. This group, under the direction of their maestro, Jack Wellbaum, did more than their share in furthering a great yearly program. At the beginning of the term, they were fully equipped with new uniforms. They accompanied the football team to all their performances and made an excellent showing as the finest Anderson marching band ever seen on the field. But the activity of the band did not cease at the close of the football season. The P.T.A. carnival, the Orange and Black Minstrels, the Christmas program, meetings of various school organizations, and assemblies kept the band moving at a rapid pace. With the first hints of spring, the band made ready and presented the finest concert in Anderson's history. As the year drew to a close, the activities of the band began to cease. Once again, the parting strains of *Pomp and Circumstance* were heard echoing through the halls of Anderson as the '50 Circus passed on to a larger scene of activity.

Hi-Y

While the circus is here, let us not forget to mention one of its greatest attractions, the Hi-Y. This group found fellowship, entertainment, and encouragement from the Hi-Y's ideals during their regular meetings and activities. This year's program was made more enjoyable through discussions, lectures by guest speakers, athletic events, parties, and moving pictures. The club consists of members from the four high school classes.

Coaching Staff and Trainer

Mr. Norval Humphrey is the coach for the reserve and junior high basketball teams. He graduated from Miami University in 1948 and came to Anderson. He is advisor for the sophomore boys and teaches industrial arts and drivers' education.

Mr. Richard Herron is the track coach for Anderson. He received his B.A. Degree from Miami University and his Masters from the University of Cincinnati. He started teaching here in 1940 and after the war he came back to become assistant high school principal.

Mr. Charles Brown has been our head coach for twenty years. He graduated from Miami University. Besides coaching the basketball, football, and baseball teams, he teaches world history and boys' physical education and is the senior boys' adviser.

Mr. Jamie Truitt is a trainer. Because of his love for his Alma Mater and his interest in football, he gave his services to the team.

Biggest Machine In The World

It's so easy to make a telephone call! A five-year-old can do it. Yet, when you use your telephone you have at your command the biggest, most complex machine ever made by man—ready to whisk your voice across the street or across the country, as you wish. It's BIG to serve the people of the community, of the nation, but its operation is geared to your individual need.
